## PRAY FOR THE PERSECUTED

### **Court Upholds Church Closure Order**

*\*Church members hang signs protesting the church closures*

*Source: Middle East Concern*

*The Spring of Life Church in Makoua is the second largest Protestant church in Algeria with about 700 members. In October 2019, it was ordered to be closed, along with two other churches. The closures happened under an ordinance, which states that permission must be obtained before using a building for non-Muslim worship.*

*Since the ordinance was enacted in 2006, Algerian authorities have failed to respond to any application for permission. As a result, it became common practice to rent a building and then inform local authorities that it is being used as a place of worship. Starting in November 2017, however, authorities began acting on the ordinance by closing several churches.*

*The Spring of Life Church recently received a court ruling upholding the order to close. The congregants of other closed churches are concerned that this may set a precedent for similar rules. There are also concerns that this may embolden governors to order more closures.*

PRESENTING A CHANGELESS  
CHRIST  
FOR A CHANGING WORLD

September 6, 2020

Even though I walk  
through the darkest valley,  
I will fear no evil,  
for you are with me;  
your rod and your staff,  
they comfort me.
